PHILOSOPHY

Brand Philosophy

Shaped by Bali's heritage,
and informed by global
island perspectives.

Arkaluna is refined through insights drawn from destinations that have mastered the art of preservation, serenity, and balance — including the hospitality philosophies of Seychelles.

*"An intimate sanctuary,
shaped by discretion, calm,
and considered service."*

A sanctuary
above the
clouds.

A refined
expression of
Bali's soul.

LOCATION

Destination & Setting

Kintamani Highlands

Set in the elevated highlands of Kintamani, Arkaluna overlooks a dramatic volcanic landscape shaped by Mount Batur, Mount Abang, and Mount Agung.

From this hillside sanctuary, guests awaken to front-facing sunrise views, cool mountain air, and the quiet beauty that defines Bali's highland region.

Above the Clouds

At this altitude, mornings unfold in remarkable stillness as mist drifts across the valley and sunlight touches the surrounding peaks.

Far removed from the crowds of the lowlands, Arkaluna offers a rare sense of calm, where nature sets the rhythm of every day.

Above the clouds,
Bali reveals its quiet side.

EXPERIENCE

The Experience

More than a stay —
a journey through
culture, nature,
and the soul of Bali.

*“Every day offers a chance to
connect — with yourself, with
Bali, and with something truly
unforgettable.”*
